

Dear Iowa Vendors and Producers interested in webinar training for the 2014 Farmers Market Nutrition Program:

In addition to ICN sites for training (for ICN* sessions, see http://www.iowaagriculture.gov/Horticulture_and_FarmersMarkets/pdfs/2014/2014_Training_Letter_Schedule_and_Reg'n_Form_to_Vendors_Posted_to_IDALS_Website.pdf), this year we are offering four webinar training sessions for folks with high speed internet. The maximum capacity for each session is 30 individuals. Below is a listing of the dates and times of each webinar. If you choose to participate in the webinar, **you are required to pre-register at least 24 hours prior to the training session.** Select the webinar you would like to attend and copy and paste the corresponding URL into your web browser to pre-register. **Please note that when logging on to attend your desired webinar session, you must use the same computer you accessed when you completed your pre-registration process.** The webinar dates, times, and URL locations are as follows:

Thursday, March 13 5:30 – 7:00 p.m. (Central Time) Registration URL: https://attendee.gotowebinar.com/register/8771329078046595330	Tuesday, March 25 5:30 – 7:00 p.m. (Central Time) Registration URL: https://attendee.gotowebinar.com/register/2634706193801627393

In order to hear the presenter, a participant uses their computer's speakers (VoIP). Please make sure your computer's speakers are working prior to the webinar (you can try listening to a YouTube video for example).

Please note: to ensure that you have completed the training, you will be prompted two or three times during the session to send the presenter a typed message and/or complete simple multiple choice questions.

*ICN – or Iowa Communications Network – sessions are broadcast live to sites throughout Iowa. These sites typically include local libraries, community college ICN rooms, and other community-accessible locations. These sites have microphones that enable attendees to ask questions to the presenter during and after the presentation.
